Sir:

In response to the Notice of Allowability, mailed by the U.S. Patent and Trademark Office on June 15, 2007 and to the Statement of Reasons for Allowance attached thereto, Applicant wishes to clarify the record with respect to the basis for the patentability of claims in the present application. In this regard, while Applicant does not disagree with the Examiner's indication of allowability, Applicant submits that each of the claims in the present application recite a combination of features, and that the basis for patentability of each of these claims is based on the combination of features recited therein.
